

EXPERT SOLUTIONS. EVEN BETTER SERVICE.

Step up to safe, compliant biohazardous waste, regulated medical waste and sharps disposal that comes with exceptional support.

THE SHREDDER

MEDSHRED

PPE. Sharps. Infectious and pharmaceutical waste. We'll solve it.

From extensive hospital networks and research facilities to tattoo artists and individuals, as well as any organization with infection control protocols in place, MedShred is here to provide compliant collection, treatment and disposal. Even better, our commitment to transparent, flat-rate pricing and personal service make the whole process pleasant and surprise-free.

COUNT ON MEDSHRED FOR:

- **Safe removal** in compliance with DOT and other regulations.
- **Thorough treatment** to render waste noninfectious and destroy personally identifiable information.
- **Compliant disposal** of treated waste by recycling or energy conversion.
- **Compliance support** to help you navigate OSHA and HIPAA regulations.
- **Tailored training** for building capability across your organization.
- **Personal service** any time needs change or a unique issue arises.

MEDSHRED IS THE ANSWER FOR ANYONE WHO DISPOSES OF SHARPS OR REGULATED MEDICAL WASTE.

- Hospitals and health networks
- Medical, dental, and veterinary practices
- Education and research centers
- Long-term care facilities
- Pharmacies
- Biotech and pharmaceutical manufacturers
- Testing labs
- Airlines and airports
- Manufacturing
- Tattoo and piercing providers
- Residential customers

PLUS! SECURE DOCUMENT AND HARD DRIVE DESTRUCTION.

In addition to regulated medical waste, MedShred provides secure, locked collection containers and on-site, NAID AAA-certified destruction of sensitive patient, employee, and corporate information.

MEDSHRED MAKES IT EASY—AND SURPRISE-FREE

1

FREE ASSESSMENT AND QUOTE

Together, we'll tailor our services and collection timing to fit your precise needs. You'll receive a flat rate with no hidden fees, no surprises.

2

STRATEGIC CONTAINER PLACEMENT

For each type of waste—such as sharps, red bags or pharmaceuticals—appropriate containers are placed throughout your facility at no additional charge.

3

RELIABLE SCHEDULED SERVICE

Certified agents collect and transfer biowaste for treatment and disposal, and destroy documents on-site in a mobile shredding vehicle, based on your preferred schedule.

4

COMPLIANCE AND CERTIFICATION

You will receive a manifest and a Certificate of Destruction whenever regulated medical waste is processed and shipping papers are retained to comply with all regulatory guidelines.
